

**Static Control's TRSUNIV-1 KG and TRSUNIV-10KG Universal Toner Matrix  
For use in Multiple Samsung® and Related Printer and MFP Cartridges**

This chart provides recommended fill weights in grams for the printer models shown.

As with any universal toner product, you should determine your preferred fill weights based on your own testing.

Static Control's Universal toner (TRSUNIV-1KG, TRSUNIV-10KG) is not recommended for use with Samsung ML-1210 or ML-3051 cartridges.
